Welcome to Dallas-Fort Worth, where smoked meat is a way of life. From sausage to ribs to the ever-important beef brisket, we want to know which barbecue joint is the best in all of D-FW and it's up to you to decide.

That's right, *The Dallas Morning News'* Readers' Choice Best in D-FW: **Best BBQ** category is back this year. It's true that only one restaurant in town can have the best barbecue, but they won't be the only winners. When you vote, you'll automatically be entered for a chance to win *The Best in D-FW Experience*: A meal at the winning restaurant and a brand new outdoor grill. Consider us picking up the tab as a thank you for participating in this civic and delicious duty for our community.

**UPDATE as of 9/9/2020:** After three rounds of voting and over 60,000 votes cast, Dallas-Fort Worth has chosen a winner. Congratulations to [Hutchins BBQ & Grill](#) for winning the 2020 Readers' Choice Best in D-FW: Best BBQ competition.
